## For Womanly Pains

### To Obtain Relief

from the pains, that assail women, try Wine of Cardui,  
the well-known, successful remedy, for womanly ills.  
Everybody knows that Cardui is a pure, harmless,  
vegetable extract, containing ingredients of special  
curative powers over the womanly organs.

In popular use, for over 50 years, it has benefited  
over a million sick women, and has proven itself  
indeed "Woman's Relief."

Mrs. Minnie Lambe, of Lebanon Junction, Ky.,  
writes: "Cardui has done me more good than all the  
doctors' medicines ever did for me. I had pains in  
my head, shoulders, arms, sides, back, joints, bad

cramping spells in my stomach, and bearing-down  
pains, at my periods, till I just almost died.

"I wrote you for advice, although I thought  
there was no medicine that could help me. On your  
advice I began to take Cardui, and it has  
done wonders for me. Now all those  
pains are relieved and I am much better.

"I feel that I owe my life to Cardui,  
and I have advised all my suffering lady  
friends to use it. The mothers around  
here are giving it to their daughters, and  
my friends say it helps them so much."

drawing comparisons and pointing out  
the more modern.

The election of a permanent chair-  
man will take place at the close of  
the afternoon session.

**This Evening's Program.**

The program for this evening's ses-  
sion will be of special interest to  
every citizen of Guthrie as well as to  
the delegates attending the confer-

will appear. Governor C. N. Haskell  
will deliver the principal address of  
the evening. He will take up the dis-  
cussion of the four state problems to  
which Miss Barnard called attention  
in the issuance of her call, namely:  
Poverty, crime, ill-health and  
child labor. The governor will in-  
strumental in getting the right kind of  
provisions inserted in the Oklahoma  
constitution and his address will be in-  
teresting as well as instructive along  
those lines.

Members of the first legislature  
who are now laboring to get such laws  
enacted for the accomplishment of  
what the conference will strive to do  
will deliver addresses showing what  
the legislature is doing for their  
cause.

Dr. A. S. Riddle, of the lower  
house of the state legislature, will  
deliver an address on that  
subject. Senator J. Elmer Thomas,  
author of the compulsory education  
bill, will deliver an address covering  
that subject, and President Henry S.  
Johnson, of the senate, author of the  
humane treatment of prisoners bill,  
will speak on that subject.

Dr. W. W. Bucks, of this city, who  
has been selected by the State In-  
sane Asylum board as head physician  
at the Ft. Supply institution, will de-  
liver an address on "Care and Treat-  
ment of the Insane."

Dr. J. W. Duke, a specialist on brain  
and nervous diseases, will deliver an  
address on that subject.

the republican state convention here  
today seemed to anticipate harmoni-  
ous action. At the conclusion of its  
session the resolution committee an-  
nounced that no mention of any pre-  
sidential candidate would be made in  
the platform.
